2017-09-29	A2 / OT	EXPIRED	2018-03-27	DOB legacy

All DOB permits on record for this building, newest first (2 permits).

Open & Expired Permits: Why It Matters

This building has 0 open (active) permits and 2 expired permits on record.

An EXPIRED permit means DOB-authorized work was not signed off before the permit lapsed; a title company or expeditor should reconcile these against the actual condition of the building.

History merges DOB NOW and legacy DOB Permit Issuance; a short history is a record of what was filed, not proof no other work occurred.
